Wheel

Wall décor reimagined

What is Oorja Wheel

Oorja Wheel is a unique and luxurious wall décor. It is a functional and kinetic piece of art.

Made with one of the finest plywood, electronics, and mechanical components, Oorja Wheel grabs your attention and you cannot take your eyes off it.

Oorja wheel has rotation, light and music features and all are controlled by your mobile phone via Bluetooth. It is only one of a kind in the world.

Oorja wheel also helps with meditation and Vastu. It increases positiveness and happiness in your workplace or home.

Oorja Wheel comes in many designs and we keep introducing new designs often.

What people say about Oorja Wheel

A really cool addition to our rec room. It's built and finished to excellent standards and everyone who sees it loves it!

— Benjamin Marion

Got exactly what I was expecting. I've recommended the Oorja Wheel to many of my friends and would highly recommend to anyone else looking for a quality piece of interactive artwork.

— GK

I must say the product is amazing. Will absolutely be adding more to our collection! Thanks once again for all your help! Bless.

— Tevin

Excellent artistic product and excellent craftsmanship. I would highly recommend this beautiful piece of art!
